RESURRECTED LIFE—

THE LAZARUS LIFE

RETREAT

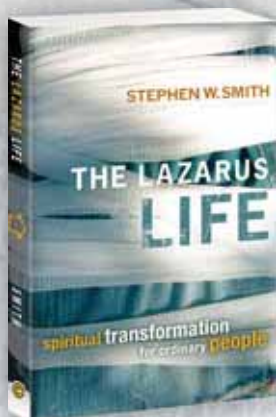

Spiritual
Transformation
for Ordinary People

Spiritual transformation is the goal of the Christian life. Change! No one wants to remain as we are now. How does a person change from the inside out? What are the steps and what is involved? We will use the story of Lazarus to become our guide and mentor in the transformation process. This is a 1-day retreat using *The Lazarus Life* and ideal for small group leaders and teachers of this book and concept. Understand the story of Lazarus and your own! Join us as we explore living a resurrected life—a truly transformed life that Easter offers us!
